Prologue

OK guys, this is my declaration that I'll be picking this up AFTER the full EDITED VERSION of Frequenting Brothels is done on Raising the Dead. Of course, this will go the same way, that is, unedited version here on my site and edited version on RTD.

Now me and my editor are already working quite a few chapters into this, so I just want to let other people know that this is a teaser for a definite project and that we'll be picking this up. I'm posting this Prologue as a teaser to kind of... well...claim this WN since we're really liked it.

Of course, not that we can stop others from jumping in and do their own TL, but we'll continue TL-ing this in the future no matter what.

You can find the Synopsis of this in the Table of Contents page on my site, it's Q.Maou-sama A.Monmusu.

Prologue

No matter how you look at it, this can't be right.
Unable to find any words to say, the young man simply stared at the bizarre sight in front of him.

「Nnn— !」

From beside his neck, he heard a cute grunt as a beautiful girl with long black hair struggled and pushed with both her arms in order to drag the other $\frac{2}{3}$ of her body out. She knit her eyebrows, the amount of sweat on her forehead showed how much of a struggle she was going through.

There were two things that were obstructing her.

First, this should be described as a dimensional crack, it suddenly appeared inside the young man's room. It looks like someone made a horizontal line with a brush. However, if you compare this example to reality, the brush would not write with ink, but instead with bubbles or soap.

There was a 7-color-hue that clamored and wriggled that clearly warned that the opposite side of this crack was obviously a different world.

Then there's one more thing, that is...

(Huge.....E、no it's F)

Two huge fleshy watermelons were squeezed beneath a navy blue yukata and were caught in the narrow crack. The overwhelming size of those fat melons were wrapped inside a cute cherry blossom pattern. (TN: Pretty sure he's talking about the yukata)

The owner is trying hard to make her huge breasts squeeze smaller, no matter how you think about it, it looked physically impossible.

「*Sniffle*。It's not going iin」

Finally the girl's strength left her body, she went limp like hung laundry flopped her limbs on the ground and started to whine like so.

As the shock from the girl from another world suddenly appearing eased up, somehow a feeling of pity started to well up in the young man.

(It can't be helped。Let's give her a hand then)

The moment he decided so.

「Hiyaaa ! 」

A hysteric voice left those cute lips. Her exhausted body jumped, then she flapped her arms crying for help.

「Please stop it ! Don't touch my butt ! Pervert ! Ecchi ! You lesbian fairy ! 」

Somehow he kind of guessed the situation.

Probably in that different world on the other side there's someone that was unable to just watch, then they started to push her to this side. Then, with force being applied to her hips she yelled 'pervert' and 'lesbian' to insult them.

「Hora、give me a hand here」

(TN: She's talking to the person touching her ass)

It couldn't be helped so he lent her some help.

「Eh ? T、Thank you very much ! 」

As the girl's lovely face brightened up, he entwined his hand with her slim fingers and tried to help her.

But the problem starts here. There needs to be some ways to drag the girl's body out.

The best way is to use his hands to grab her boobs and bring them over quickly, but she already reacted that strongly with only her butt being felt up. So if he doesn't want to get hit then he'd be smart to not even try doing so.

「The person on the other side、can you hear me ? On my signal、I'll pull and you push。Let's go ! 」

(TN: HELLO FROM THE OUTSIDE LOLOLOLOL)

I wonder if my voice even reached the other side. Anyways let's just do this.

「Heave—Hoo ! 」

It feels like a fairy-tale where an old guy tries to pull a huge turnip. Borrowing gravity's strength, he bent his lower body and pulled with all his might. Luckily he didn't wear any socks, so he doesn't have to worry about sliding on the wooden floor.

「Gunuuuuuu ! 」

Straining his whole body, he focuses all his muscles for this one purpose. Stepping firmly to create friction, a heated war cry came out from his gritted teeth, the young man struggled to pull the black haired girl in yukata over here from the other side.

This is a surreal composition but, the two of them, no there's also a person on the other side so, the three people, were deadly serious.

「Come out hereeeeeeeee ! 」

Suddenly, the weight on his body disappeared. Feeling like the blood in his body started running in the opposite direction, an unpleasant floating sensation struck him, the next moment, *smack* he fell and hit back of his head.

「っ ! 」

A little while after the impact, he felt a dull pain spreading through his skull.

「U、Umm.....Are you okay ? 」

Then that pain was healed by a sweet soprano voice, and a pair of soft, tender, huge tits covered in blue were hanging across his face.

A gentle aroma of hot milk was floating in the air, naturally his nose flared. The characteristic of girl's sweat is a little sour in fragrance, causing his manly instincts to burn as he inhaled plenty of that fragrance, his lungs also felt like they were heating up.

(This position is、the legendary... !)

Accidentally this big breasted girl had pinned me down, and this [act of God] allowed me to enjoy these voluptuous fruits as I wished, this was a dream-like situation that all men hope and dream of.

If it's not intentional, but purely by chance, the value of this situation can't be measured monetarily.

「Hmp、*mumbling*。Fugu」

(TN: No idea how to word that last sound)

Yeah I'm fine...In fact I'm great. There's absolutely no problem. That was what the young man intended to say.

「Ah ! Th、This is terribly rude ! I'll move aside right away」

Finally realizing the shameless position she was in, the girl face turned red as she became flustered and stood up.

Feeling disappointed as the pleasant pressure was lifted, the young man lifted himself up while rubbing the back of his head.

「So、you.....what are you ? 」

There was a ton of things to ask, but after racking his brain none of these questions came out. So he just went with the most suitable question at the moment.

「A demon。No、I'm a Lady Demon Lord desu~ ! 」

Puffing out her chest with pride, the girl declared this completely preposterous line without a care.

‘Okay’, the young man thought, ‘Living in modern society does cause stress, so I guess there are people with serious conditions like this.’

「Ah、yep as I thought you don’t believe it. People of this world wear these clothes carefreely during festivals, they’re just comfortable clothing you see」

Realizing his suspicion and the pitiful gaze he directed at her, the girl’s facial expression completely changed so it seemed like a deflated balloon, and she looked downhearted.

「.....I understand。 Then as a proof I’ll show you magic」

She cried out in high spirits, as she tampered with her yukata’s collar, and this time she had a wonderful expression.

「Magic Tool 『Paralyze・Hankerchief』 ! 」

From the between the valley of her giant breasts she pulled out a white cloth, she held it out to show him.

With some light footwork she got behind him, and the moment he had his guard down she pressed the handkerchief against his mouth. The lace was very complicatedly made, and it felt pleasant like snow, the young man understood that this is a high-class item.

But in contrary to that pleasant cloth, its smell was strong as if piercing the nose. He immediately felt a hallucination struck his brain. His vision became hazy, and he started gasping as his breathing was constricted. {ED: RAPE}

「I’m sorry。 I’m gonna need you to go to sleep for a bit」

He heard a sweet voice murmuring into his ear. While feeling the soft fleshy breasts against his back, the poor young man didn’t understand what the hell was going on as his consciousness faded.

Like hell this is magic !

He made the last tsukkomi in his mind.

His thoughts stopped.

Absolute Pregnancy Ability

This is one hell of a chapter, at least as long as Loli Manko.

Absolute Pregnancy Ability

The young man who was kidnapped is Yakumo Ren. He lost his parents at young age and has no relatives.

The inheritance left behind was limited, his uncle's family who took over it was kindhearted so he wasn't particularly uncomfortable, he lived with them until he entered college.

「Congratulations」

When he graduated from high school and college, his uncle smiled as if it was a blessing.

「It wasn't really that joyous」

The young man muttered behind his uncle's back.

Pursuing what is almost low-class college courses, to be used as the foundation for becoming a low-class person in Japanese society, carrying this weight until you can't anymore and you collapse. What's so happy about that future.

It would be different if they were his real parents, but to honestly speak his mind to his foster-parents would annoy them.

「Thank you for raising me until now。I'm really thankful towards uncle。I'll also try my best to repay my parents' debt」

Something like that.

All the things he had said since birth seem like what one would write on the answer sheet of a Japanese language test.

It's shamelessness for security. It's because he's an intruder in someone else's family.

Such an everyday life is tiring, recently he doesn't try as hard to find a job anymore, and just lays around alone in his apartment.

Then suddenly a beautiful girl came out from a dimensional crack, and used magic (drugs) to gallantly kidnap the young man.

「Wake up、please wake up」

Hearing an insistent voice and having his shoulders shaken, Ren slowly woke up from his deep slumber.

「Nn.....」

「What now ! He's not waking up ! That medicine was too effective。Th、This is like in legends。The princess kiss...」

The shadow that covered his field of vision split and divided, the world reappeared.

Groaning while regaining consciousness, the young man saw the beautiful girl who kidnapped him drawing close to his mouth with her face flushed red as an apple trying to kiss him, his drowsiness was blown away by the shocking sight. His eyes wide open from waking up, they faced each other eye-to-eye. *blink*, a pair of eyes that look like that of a cute pet blinked.

One moment later.

「Uwaa ! 」

「Kyaaaaaa ! 」

Both people flinched away.

「What the hell was earlier..... ! 」

Invading his room from a dimensional crack, and mashing a suspicious drugged-handkerchief over his mouth. Then trying to steal his lips, there's a mountain of things he wants to object to.

But before he could say anything, the girl did something unexpected.

「I am truly sorry for the confusion ! Please forgive me ! 」

It was a splendid and artful dogeza.

By placing the tip of her nose between the gap of the letter /\ made by both hands, her intention to apologize was clearly shown.

Her back, covered in a white obi that was wrapped around a navy blue cloth, drew a thoroughly pleasant curve.

Her long black hair seems to shine as if it was wet, and became like a curtain that hid her face. Because of that, he could not see her face, and could only imagine that she had an extremely sorrowful expression.

It the same reason with why Venus de Milo lost both arms for the sake of perfect beauty. In fact, not seeing her face makes her dogeza seem to belong to the realm of God.

「Awawa、it's fine you don't have to go that far、raise your head。 Okay? 」

「No ! I can't be satisfied with just this」

Even when forgiven, her reservedness doubled. Far from just completely forgetting about his anger, now Ren seemed like he was bullying the sincere girl.

「Gosh it's fine。 It really is fine」

Putting his hand on her shoulder, he forcibly broke her dogeza pose.

「Thank you very much.....ehehe~、you're so kind」

Wiping her teary eyes, the girl seemed to be moved by the unexpected forgiveness.

He was kidnapped from his house, so he probably had the right to be more angry than he was, but grasping the situation is more important than being angry.

After this kind of slapstick noisiness, he finally had enough time to get his head in working order.

First he needs to know where he is now.

「This room is quite big isn't it。 It's your bedroom? 」

「Yes。 You were sleeping deeply、 so I moved your body here to let you rest」

It's around 10 meters in length. The tasteful brown brick walls covered all four cardinal directions, with quite some distance between them. There was a huge window over there which caused the room to be filled with warm sunlight. On the other hand there was very little furniture. There was a dresser and a desk with a pile of yellow papers on top. There's also a full-length mirror and nothing scattered on the floor.

And then for the remaining space, the main thing that occupied it is a bed.

「Amazing。 A canopy bed、 you can't see it anywhere other than in manga」

「Right ! ? A bed like this is romantic isn't it。 It is because it's custom made by the dwarfs and fairies」

The two of them sat face to face on the soft white bed. Four black curtains with rings were arranged around it, and a cloth of the same color covers the ceiling at night.

It feels like hiding inside a tent, it made him feel excited like a child.

「It's good yeah。 Things like this。 But fairies ? Dwarfs ? What do you mean they made this?」

「Ah、 that's right。 For now I'll explain various things」

‘Gohon’, she cleared her throat and began her unbelievable story.

「First of all。 When I appeared from that rainbow-colored space, it was a dimensional crack opened by magic」

「Then that means、 this is a different world ? 」

「To be precise、 it's a different star。 Then、 this star has a bothersome trouble」

「Ohh」

「Since old times the number of men has been insufficient。 One theory is that magic sources greatly reduced the chance of giving birth to boys.....、 anyways、 for that reason women scattered to various races、 and struggled for the evolution of those few men」

Being small in size, the fairies assaulted men in groups. With voluptuous body and pheromones, the succubuses that can use their wings to take off to the sky.

The overwhelmingly charming and diverse in magic, fox spirits, and the cat, dog demi-human girls with explosive powers and excellent reflexes.

A wide variety of monsters that shouldn't exist anywhere other than a fantasy world, are prospering on this star, was what the girl said.

「The struggle for existence is very harsh、 10 years ago、 human men were finally confirmed to have gone extinct」

He finally catches on to what this is about.

「Then that means men from other stars、in other words me, are important people」

「Yes。Earth's environment and ecosystem resembles ours here、we're also relatively easily linked by magic」

But there's still an issue.

For this kind of purpose they should have probably brought a more robust and excellent human. Why did they especially pick a mediocre young man who's only average in strength and wisdom?

He tried asking that question, and the girl answered with a somewhat excited manner.

「That's the point ! Humans by nature always possess a peculiar magic、and your ability is truly splendid」

「 ? No、I can't use any magic」

「There's no magic sources on Earth so you can't show your peculiar magic。Ah、about magic source」

The girl snapped her fingers.

A pale scarlet light bloomed, shaking the atmosphere.

Before his eyes a vigorous whirlpool of thermal energy emerged, it looked like a bunch of transparent red snakes trying to eat their tails.

「Wh、What is this ! ?」

He opened his mouth in shock.

The whirlpool's speed multiplied, and it got deeper. Suddenly a flickering light like that of a shining knife was released, he reflexively covered his eyes, that moment...

「Flame・Ball ! 」

The girl yelled with a proud face.

Her finger drew out an invisible course and the hot flaming ball flew along it. Then,

「Giyaaaaaaaaa ! 」

The pitiful full-length mirror, that she aimed at, released an agonized scream.

(Eh ? A scream ?)

The girl used fire magic, the mirror got burnt.

Obviously this world where he's been until now is completely different to Japan. He couldn't help but to admit that this is a different star which, until now, he only thought of as complete bullshit.

You should've shown me this magic instead of that fake trick. That was what he thought for a moment, but he thought back upon the fact that there was no magic source on Earth so it couldn't be helped.

「In this manner heat and cold、no、all substances can be changed and controlled。 That's what magic is」

「A、 Amazing.....you're really not just some crazy woman」

「Ehehe。 But humans do excel in handling basic magic sources you know。 Then、 about your peculiar magic」

He gulped and held his breath while waiting for the answer.

In his head, he was already thinking of a development where he can freely use magnificent magic and set off on an adventure as an important figure. From a dull young man to powerful wizard. Fireball、 Lightning、 and Freezing abilities to mow down monsters.....。

「Absolute Pregnancy Ability desu~」

But reality is heartless.

「Hah ? 」

「I said、 it's an ability that、 will make the partner pregnant no matter what their race is」

「Hundred percent ? 」

「Hundred percent」

「That's it ? 」

「Yes」

He despaired.

「U、Umm、please wait a moment。 The secondary ability is something that makes you peerless」

Seeing his dejected expressions that said ‘it’s the end of my life’, the girl panicked and said something else. But it wasn’t of much consolation.

「In other words、I can’t wish for adventurers like in fantasy and obtain invincible powers、subjugating monsters one by one、or take down the demon king with my comrades」

「I’m a demon lord woman to begin with、so I’m troubled by that」

He looked up to the sky, lied on the ground, and let his tears drop like a waterfall.

Though he’s not that disappointed, he certainly heard that when one is brought to another world he becomes some kind of protagonist and chases after his dream.

With that fantastic dream gone, Ren drooped his shoulders.

「If only I had a cooler ability」

Sighing from the bottom of his heart, he muttered.

Then the black-haired girl looked into his eyes, and said some encouraging words with a strong voice.

「Not at all ! I’m repeating myself but、that ability is really amazing。 By all means、you can use that ability to impregnate us monster girls」

「Eh ? 」

「Though monster girls seduce men、for the sake of survival, all kinds of beautiful girls will present themselves ! While you stay on this star、se、sex..... umm.....if you cooperate in child making you definitely won’t regret it ! 」

She hesitated to say embarrassing words, but in the end, she seriously affirmed the situation.

If you really think about it, it’s not a bad offer.

A world where only girls exist, this whole star is like a harem for one. Not just monster girls but one can freely mate with as many girls as one likes. Moreover all the girls are attractive and inexperienced.

Though it’s hard to throw away the dream of swords and magic, this offer is also

just as attractive.

「Un。 Okay」

「Eeeh ! ? 」

She was surprised at the quick answer.

「Wh、 Why are you surprised」

「B、 But、 you won't be able to see your parents and friend for all eternity !
The rift that was used to summon you will stay opened for half a day。 It's still possible to go back now」

「Nope、 my parents are in debt、 it was a good-for-nothing life。 I'm not particularly attached to it」

He wanted see the last episode of his favorite manga.
He wanted to play a game then leave without buying it.
He wanted to eat a whole cake.
He wanted to try raising a cat.

If you forcibly asked him, he could only name some silly desires When comparing those to this life in a different world just waiting for him where he can live to the fullest, he leans towards this new world.

「I'm relieved。 I don't know what to do if you refused、 I've been worried since the day we decided to summon you」

「Is that so、 then please take care of me from now on。 That reminds me, we don't know each other's names。 I'm Ren、 what about you ? 」

「So it's Ren ! I'm the demon leader、 the Demon Queen who stands on top of everyone。 Kamomiyu・Sakuragi.....if it's too long then just Kamomiyu is alright。 If that's still difficult、 then just Mii is okay」

「Mii huh、 that sounds cute」

After the introduction, he examined the girl once again. It's been one thing after another so he didn't have time to appreciate her looks, but now he can see that Mii is quite a beauty.

Slender and well proportioned nose, with large, sparkling, and lovely eyes. Her lips were moderately small, there wasn't any lipstick on yet they were still

brimming with a red feminine color.

Her skin was white as if she was covered in moonlight, the contrast between that and the color of her lips made everything looks sexy.

Just that beautiful face is already enough to attract eyes, but her special characteristic is that waist-long black hair and those huge tits swelling up from under the yukata.

Squeezed right below her collarbone were two voluptuous mounds of flesh, her white breasts were daringly exposed.

Her waist was slender as if when you let out all your breath, creating a sensual line moving down to her hips.

If she's in a class there's no doubt she'll hog all the men's gazes with her perfect body. She grew up in an environment where there are only women, and she always has this neat and elegant yukata on. Even if this wasn't a different star, she was the type that would be popular even among girls.

(Actually, if we're in the same class in high school I wouldn't be able to even talk to her. The level difference is too big. Love letters in shoeboxes are just in manga, but if it's Mii then that would easily be reality)

Despite this being a different star, he recalled the words 「Yamato Nadeshiko」 upon seeing her appearance, but a different nickname might suit her better. But that innocent look in that yukata. It's as if she has a kitty-nature as another character, and the nickname 「Mii」 actually fits pretty well.

「Then.....immediately from now, I'll depend on you for my request」

While fidgeting and squirming her voluptuous body in embarrassment Mii said so.

「Your request ? 」

「I told you, umm, the impregnate business」

「Impregnate who ? 」

「Umm.....me」

Her face turned bright red as if it would explode, Mii squeezed out her shaking voice. Though her voice was reserved and somewhat pleading, the contents were quite shocking.

「Please make me pregnant and become my husband、 and Demon Lord。 Then I also want you to impregnate the monster girls, my servants, thoroughly.....the request I mentioned earlier、 is what I just said ! 」

Everything starts from this speech.

The boring and gloomy life of the young man, with this moment as the starting line, is about to change in this wonderful world of different species.

◆ **Important note:** This is it for the teasers, next chapter will only come out when the edited version of Brothels is done on RTD. I did this chapter to wipe the dust and inform the people who liked it that it ain't dead yet, just not yet to be alive hahaha.

◆ We're really close to concluding Brothels already, but Mr.Editor will be on vacation after his exams, so may be a bit late.

Cute Demon Queen and Child Making Part 1

Mii is such a cutie...and predator?

DISCLAIMER

I'm pretty sure this chapter's translation is quite bad, if I do say so myself, because I TL-ed this a long time ago, I wasn't as decent at Japs as I am right now.

I'll do my best to improve in next chapters though.

Cute Demon Queen and Child Making Part 1

Sitting seiza on the bed, Mii gazed at him with a serious face. But after saying a request that sounds like a proposal she became embarrassed, with the sunlight from the window melt into her moistened eyes, they become slightly red.

「T、To impregnate？ Mii？」

「Yes！ Is it.....no good？」

There's no way it's no good. To be able to do ecchi things and make a child with this beautiful girl is such a dream comes true. If you're a man then you can never shake your head at this.

It's just that, though he already accepted to impregnate monster girls, the rapid development of suddenly saying 「Please violate me」 is just unexpected. Before the bewildered young man's eyes, the girl unfastened her sash and took off her yukata without hesitation.

The rustling sounds of clothes resounds.

「Wawaa。 Underwear、 you don't wear undergarment」

「Yes。 Because I'm wearing these clothes。 It should be the same in Japan」

Gulps, he swallows a large mass of air in his throat.

The blue coating was removed, and the girl's snow white soft skin was exposed.

Even when yukata is a relatively loose clothing, her ripened fruits were still

cramped and restricted. The summit of meat was released from the cloth's restriction, showing a jelly-like texture more appealing than with the yukata on top like before.

(A girl's bare tits ! It's a whole different impact to photographs and videos)

In contrast to the voluptuous breasts, her waist was squeezed in slenderly. But the softness of a woman wasn't lost, on her motherly abdomen flesh, there was an oblong navel like there was a finger tracing it. In addition, if you drop your line of vision, jet black pubic hair could be seen concealed in her crotch. It was like a black flower garden hidden between her plump thighs. Thinking that there's a crevice hiding deep inside makes saliva wells up in his mouth without being able to stop it.

「You have one hell of a figure there」

「I'm honored to hear your praises。 If I become your bride、 then these boobs、 my lewd body and everything will be offered to you」

「Everything.....」

「Yes、 everything will be Ren-sama's possession」

Though being tormented with shame, Mii suppressed the urge to cover her breasts and private parts with her hands, fully exposing her voluptuous naked body temptingly.

The huge swellings of fat stuck out as if to repulsing even the men's gazes. Even with just a slight touch on her body, and her pudding-like breasts, blessed with the charm of softness and flexibility, shook *tayun tayun*.

(My possession means that、 touching、 or even fondling、 anything is fine huh)

In contrast to her bust size her areola was quite modest, and on top of that were the dark cherry blossom nipples standing erect waiting to be teased by the man.

White breast skin and lewd pink erect nipples.

It was a shocking scene for a virgin, he stretched out his hand and traced its shape.

「Hiyann」

Her feminine body twitched, she reacted to the stimulation and shivered like a flower.

However, like an insect attracted to the smell of honey, the inner part of his finger lewdly licked Mii's pink circle, he devoted himself to relish this first sensation.

To the trembling bump flesh, he slowly traces his hand and caressed her. When his finger reached the summit, he flicked her tip.

「Hiyauuu ! M、Mou。 Please don't just tease my nipple」

Mii's beautiful face became more appealing with her almost weeping voice.

「You want me to fondle your boobs too ? 」

「You're so straightforward.....please don't say those things straight up to a girl ! 」

He pulled his lips away from any further lewd actions, and sank five fingers into her meat fruit.

Squish.

The degree of softness of those voluptuous bunch of flesh was surprising. When he scoop them up at times, the breast meat spilled in between the gaps of his fingers. His palm feels pleasant from the heat and weight, no matter how many times he massaged it he never got bored.

Sucking on her moistened with sweat breast skin, Ren was in a daze with his fingers swimming in the sea of flesh.

「How's it ? Feeling good ? 」

It was his first time doing ecchi things to a girl's breasts, so he was slightly anxious and tried asking her if she felt any sexual pleasant.

「I、I don't really know。 It's ticklish、 but my body feels light」

「Is that so」

It's probably Mii feeling it.

For now he knows that she's not in discomfort, so Ren increase his bold rubbing on her huge fruits.

Below the breasts and her underboobs, also the curvy contour, he crawled his fingers to make sure. Occasionally, to make her leak some sweet breaths, he grasps the the bunch of flesh, and tramples on the symbol of women. In addition, his left hand also joined the fun. Pinching her nipple, he tormented and stretched it, making the girl's body jump back and leaked a short scream.

Worried about his rough way of handling her, he pulled back his fingers, this time she sobbed with a flirty voice.

Dominating a whole body of a woman with both his hands, somehow Ren fell into a pleasant mood.

「Fuwaa。 Ren-sama」

「Hm、 what is it ? 」

Like hanging a wreath of flowers on his neck, Mii reached out her hands and clung to him.

Hanging her breasts she looked up at him.

As their eyes met, he was quickly melted away by the sweetness. It was like a hot summer night sky. Her mimetic muscles defenselessly relaxed, her smile was like inviting the man to violate her.

Even without any word spoken, Ren was able to understand.

Drawing his face closer to her flirtatious face, he pressed his lips against her wet, lovely and clean lips.

「Hauu、 chuu.....nmuu」

His first kiss experience was, it just felt tender and warm.

Two people's mouth met, and their mouth cavity became one. He was attacked with such delusion. Mii's jaw that seemed to be exhausted, surrendered and her lips weakly opened. From there a liquid-like breath as thick as honey was poured into her mouth and drenched her lungs with obscenity.

Those small lips, in contrast to its shy look, was greedy for sex. They were also coated in sweet saliva as they coil with his lips bringing him pleasures. Their lips unraveled.

If this continues I'll be on the defensive side.

Thinking so, he decided to bring out and try the so called French kiss. Shutting

his tongue, he made the tip of his tongue becomes sharp, and slipped into the girl's mouth.

「 ! 」

With her eyes wide open, she clung to his head and her arms stiffened. But there wasn't much resistance.

Still surprised she entwined her tongue confusedly with his, she was about to push his tongue back, but her nipples were pinched violently making powers left her tongue and she almost leaked her voice.

The red watchdog which enjoyed pleasures on the flesh obediently hung its head.

Ren's tongue fully enjoyed raping the defenseless mouth.

When he traces the rows of teeth that looked like a work of art, Mii shivered with a chill being sent to her back by an unknown sensation.

Licking the membrane of her inner cheeks, he stirred up her saliva and her tongue, then tasted her palate.

Being pressed by the french kiss to an abnormal degree, and have her breasts fondled pleasantly, the black haired girl's body flushed a pink shade as she became completely excited.

Until it becomes hard to breathe for both of them, they separated their faces, and soon Mii's abundant womanly flesh was reduced to a slave of sensuality. Her slender shoulders rose up and down as she grasped for breath heavily.

「Nn、 puwaa」

「 Haaa。 Haaa 。 Ehehe、 my first kiss、 was offered to you」

Mii spoke as if talking to herself in a dream. Immersed in the sensation after the kiss, her mouth was half open, and from there a thin string of drool was streaming.

Peeking through the gap of this beautiful girl's mouth, a healthy color of red could be seen.

「 That was also my first time。 I'm happy that it was with a cute and beautiful girl like Mii」

He didn't intend to make her glad. It was his honest thoughts from the bottom of his heart.

Even so, Mii's face was dyed in an autumn red color from one ear to the other, the surprise attack of being praised makes her writhe in embarrassment. Her tender naked body swaying was impulsively charming, it stirs up lust in men.

「By the way the 'chuu' just now、it's all Ren-sama taking the lead」

「I was just in a trance。That can't be call taking the lead」

「But as I thought, I still feel regretful ! I'm in the wrong unless I service you」

Saying so Mii got on all fours and sidled up to him. Her rocket-like tits shook in the air, two fiery sparkles were shot this way.

「Eh、what ? 」

「Please stand still okay ? 」

He was too late on realizing the strange atmosphere. Releasing the strength accumulated in her limbs, the girl nimbly leapt at him like a beast.

「Uwaa」

「It got hard under your trouser、so let me offer you some comfort」

On the opposite side of her white plump ass, a sugar-sweet voice could be heard arousing the excitement.

That's right. It's the so-called 69 position, being pushed down to the bed, before Ren's eyes, the sexy fragrance of a woman poured into his nose making his groin reacted.

Her dark colored pubic hair had some beads of sweat making them shiny and glossy. Burning the image of that black grassland into his mind, a white land of flesh swelled before him.

And then the valley amidst of that swelling of meat, is a vagina shamefully gasping for breath. The squirming labia opened up a little bit, the wet salmon pink flower is bilateral-symmetrically blooming fully.

At the summit of the slit is a spherical pearl peeking out. Compared to her feminine plump body, this one is being wrapped up cosily in its foreskin, the size is cute.

(This is 'that place' of a woman ! Uncensored.....well that's obvious。

Anyways sugoi !)

It's completely visible up to her silent pink anus. It's his first time seeing a woman's secret place, on top of that it's at point-blank range, so the scene was pretty impactful.

While the excitement that struck his brain rendering him unable to move, with her noodlefish-like fingers she unzipped his pants, with a little clumsy movements she took Ren's meat stick out.

Poron.

First time facing a man and seeing his genital the girl's eyes turned nervous, before her an aggressive-looking lump of meat was fully exposed.

「Hyaaa、it、it's so big」

「Is that so？」

「I've never seen other ones、but I thought it would be a little bit smaller..... this、umm、is it really going inside me？」

Stretching from the pubic hair, a rough tree of meat is standing with the glans swelling atrociously.

The spearhead of the blunt weapon, his red and brimming with life force glans was covered with her hand, and that alone seemed to burn her skin with heat. She thinks the crack on the glans as a crater.

Average men don't think of this as really big, but to a trembling virgin girl this volume of flesh is more than enough.

Cute Demon Queen and Child Making Part 2

「Uu。 It looks so scary, as if it's threatening me。 It's not sick or anything right ? 」

「Yeah。 It's a common reaction for men」

For the first time, she used her timid fingers to lightly grip the pulsing meat stick. The cool sensation of a girl's hand with just enough pressure was pleasant on the hot erect skin. He unintentionally leak out a breath.

「Would it be okay like this..... ? 」

While gliding her thin and flexible fingers along the grotesque meat stick, the black haired girl asked.

She's surely keeping the politeness in her tone of voice, however that voice carries faint trembling sexual excitement.

「Yeah。 That feels really good。 Masturbating can't be compared with this at all」

「Fufu。 Being told that makes me happy。 I'll try my best ! 」

Mii who received praises suddenly showed eagerness, gradually the cylindrical force of her hand sped up. From movements similar to stroking, it changed to a dirty way of using her hand to wring out semen.

Each time her soft palm made a round trip, he soaked into the pleasant feeling similar to a burn being healed.

「Your cock is twitching。 This is the proof that the man is feeling good right」

The girl seems to be only enjoying her first experience in onanism. Like the tail of a cat getting into a daze because of a toy, her womanly meat chamber shook. The gaze of the virgin young man also got led about in

confusion. His eyes unintentionally chased the defenselessly exposed meat crack. While not giving up on looking at the red flattery flesh of her vagina, he let the black haired beauty who would make anyone turn their heads stroke his meat stick. It's a situation where he can't help but doubt if this is a dream. The *fap fap* hoarse sounds are also lewd.

(Really though, it won't end with "it's just a dream" right ?)

However, if this is undoubtedly reality, then the proof for it is this rich womanly smell making the root of his nose feeling numb.

Though it's characteristic of girls to carry sugary-ness, the air filled with fresh fragrance of the reproduction organ is stimulating him to the point of making him nervous. Using his nasal cavity, when his lungs swelled, filling the depth of his body with the very Mii herself, an excitement similar to heat was carved into his heart.

He rejoiced in delight as the embodiment of lust, his swelling meat shaft, is being rubbed by a graceful woman's fingers. That excitement rapidly accumulated at the depth of his crotch.

Even himself understood that his throbbing glans where young blood gathered would explode anytime soon.

「Awawa。 Something transparent and slimy is dripping from the tip」

「That's called precum, it's like a foresign of ejaculation」

「Eh。 It somehow looks like drool。 But, even though it's also a transparent liquid, this here gives off a more ecchi feeling」 (TN: Duh, it's coming from a dick, girl!)

Scooping the liquid spilling from the tip, her hands moved up and down to spread it throughout the meat stick. Her smooth fingers that got wet from the lubricant, efficiently gave the flesh satisfaction.

Bringing the erect stick really close to her beautiful face, Mii enthusiastically serviced it. From the wet sexy lips that had only kissed recently, feverish breaths fluttered, soaking into the mucous membrane of the tip.

With sharpened sensitivity, even a caress as thin as a silk cloth would bring pleasant stimulation to it.

「Mii, if possible umm」

「Yes ? What could it be。 If there's anything unsatisfying please instruct me ! 」

Carnal lust made her thoughts not pass through as she spoke with shameless desire. It's not that he's complaining, but if he's going to have a woman make him cum for the first time, might as well

「Would you lick it」

「L、Lick ! ? 」

「It's fine if you don't want to though」

「N、No、I understand。 If that makes you feel good then」

There was only a moment of hesitation. Without making the reluctant face towards the ill-mannered request, the girl first sent a greeting kiss towards the towering meat tower.

「Kuu」

Not being able to bear the pleasure by the sweet electric shock at his glans, he leaked out a miserable voice.

Just being touched by the red flesh fruit-like lips that's packed full of juiciness, the need of ejaculation welled up from his abdomen. Pushing out from the glans entrance, opaqued liquid overflowed from the tip.

「Hau、chuu.....ish quite a lot.....」

Knitting her eyebrows, the black haired girl was bewildered by the infiltration of a man's taste towards her lips.

Her well shaped nose made sniff-sniff sounds. Even if it's just the smell, she wants to ascertain the part she didn't know about huh, thought Ren.

「The smell is strong、I'm feeling dizzy」

Traveling through her nasal cavity, a man's pheromones landed a direct hit on her brain, Mii somewhat got into an intoxicated mood.

Her well-ordered face now seems to be shining with a flushing color of sexual excitement.

Charmingly leaning her young and ripen body coquettishly against Ren, she pressed her huge breasts on his abdomen while pushing her lips against the

meat stick, separating them up and down. Just like that she held the glans in her mouth, then boldly dropped her head downwards.

Zuruuri !

Clad in saliva, the study meat spear pierced through her flattery face in one breath.

「Uwaa.....the inside of Mii's mouth、it's warm、and slippery」

The young man murmured while being deeply moved because of the sensation of inserting into a beauty's mouth.

「Nmuu ! *Cough、cough*.....your cock、I ate all of it」 (TN: She's speaking in broken accent because dick in her mouth, but im not even gonna try and word that shabby speech bruh)

At the same time, Mii struggled to breathe while speaking with a teary voice of being choked.

Her lips that draw a beautiful line is now miserably wrapping around the swelling meat stick. Overenthusiastically swallowing the tower deeply into her throat, her facial expression changed to anguish.

However, without spitting it out, the girl twined her tongue and began fellatio service.

「Chuupaa、chuu、churururu」

Coiling her fresh and warm body around the erection, saliva splattered up as if she was licking an ice pop. When the tip of her tongue touched his glans, which is packed with pleasure sensitive nerves, his body shivered trying to hold down the excessive pleasures.

「Does it feel good ? 」 (TN: Again, dick in mouth, but I ain't going to try wording that in broken english)

Mii asked the raging cock inside her mouth pussy. (TN: Fun fact!!! This author censored lewd words while posting the story on the R18 section of Syosetu!! I LOL'd)

Ren who continued to receive tongue service felt the premonition of climax with just the movement of her mouth jar alone.

「Kuu、n、no good ! Coming ! 」

「Please don't hold back and ejaculate lots of semen milk ! 」 (TN: Pffff semen milk LOL)

Knowing that the meat stick is nearing its limit, the girl emptied her mouth and glued to his mucous membrane.

Shutting her cheeks, she made a dirty face while moving her head and her black hair up and down.

「That's、a、amazing ! 」

「Juburuu、Juzozozozo ! 」

It was as if a cramped flesh-made washing machine is washing the man's stick. Her hot mucous membranes inside the mouth embraced him tightly, her rotating tongue was devoted to chew on his erect skin. He had no idea if it was on purpose, but the vulgar vacuum sounds are driving his carnal lust mad.

Her beautiful face peeking through her long hair, rather, her well-grown body is getting lively.

Pressing her ripen breast fruits on his abdomen, her white voluptuous butt shook back and forth before his eyes.

Mostly with just instinct, like a bull facing the red flag, Ren jumped into the valley between that pair of flesh mountain.

「Fuhyaaaa ! 」

A surprised shriek surged out from the lips that she devoted to do fellatio. This is his first time having sex, furthermore this is a different star than Earth. As he thought that it might be bad manner to interrupt the partner's service, anxiety crossed his mind.

Hell, that thought was instantly washed away when a flood of womanly smell surged into his nasal cavity.

Opening her somewhat fleshy genital, it was like flower petals repeatedly lining up. Her flattery red flesh was wet with love juice, it glittered and threw at him a thick smell of sexual excitement.

(A girl's smell of that place.....。 It's bittersweet、I can maybe get used to this)

Stretching his tongue, he tried tasting a little bit of those embarrassing honey.

Instantly, the flesh of the woman leaning on him convulsed from sensitivity.

「Afuu、Re、Ren-hyama ! I'm servicing you and yet ! 」

「Mii's body is my possession right ? Then it's all good isn't it。I'm making you feel good」

「Uu、that's true but」

Forcibly doing as he pleases, he rudely used his tongue to lick the lewd juice from her vagina flesh. His nerves were stimulated when he tasted the saltiness that contained some sweetness, his brain became numb.

Her fat buttocks shook in delight.

「If we're making each other cum.....juupaa.....I won't lose ! 」

Declaring so, Mii resumed the vacuum fellatio as if indulging in lust.

Gently tightening the flesh of her lips, she moved up and down and bewitchingly made the meat stick shine with saliva. (TN: 肉根を緩く締める唇肉が、上へ下へと這いまわり肉洞を唾液で妖しく輝かせる。)

Being wrapped up in mucous membranes of her mouth, his meat stick was melted by her body temperature. She furthermore used her slender and graceful fingers to rub his seminal vesicle, urging the creation of semen.

The boiling lustful juice is now on the verge of eruption.

(This is unbelievable technique for a virgin ! There's no way I can endure this)

Mii belongs to the race that specialized in ensnaring men, a mixed of half succubus and half human, a 「Majin」.

Just making a virgin young man cum, it is but easy even if she has no experience because the techniques had been driven into her genes. However, that also means her body is weak to sexual sensations.

「 ! ! ? 」

The Demon Queen who pinned the man down and was supposed to torment him had her pair of eyes opened.

Peeling the foreskin, a beautifully erect pink colored lewd bean claimed its existence. Ren's mouth glued to that spot.

Waving her voluptuous body, she writhed intensely trying to escape from being

teased at the clit. Crawling accordingly to the running vagina, his face is now already wet with honey juice.

「Mugugu。 Don't struggle」

Seizing her narrow and charming waist, he inserted his tongue into her center while she couldn't resist.

As if wanting to at least tease the man's rod, sometimes she used her teeth, and sometimes she used her mouth cavity to apply suction, the black haired girl went into disorder, satisfying herself.

「Fuwaa、 I'm、 I'm feeling it too much ! That spot is no good ! 」

Seems like she doesn't have the margin to do fellatio anymore. The tail of her beautiful black hair sprang in disorder, her heavy breathing melted together with her scattering saliva, she's no longer a Yamato Nadeshiko existence anymore.

She became a silly female animal rejoicing in sex on top of a man.

「Cummiing、 ahn ! My clitoris feels so good ! Cummiing♡」

Biku、 bikubiku、 pushaa !

It was like flesh of fruits exploding.

Like poking a string through a needle hole, her pee hole bulged up. That moment hot liquid gushed out, it hit his nose bridge and cheeks, and on top of that, a small quantity got into his mouth.

(Pee ! ? No、 it's not。 This is the rumored female squirt isn't it)

It was a superbly lewd scene only seen in ero manga, the young man became absentminded.

Having the service being interrupted, his rod's still searching for an outlet as it stood towering.

With the manly penis in front of her, Mii acknowledged her defeat and her head collapsed.

◆ Okay bois.....that chapter was quite hot actually.....can't say I wasn't distracted.....

Cute Demon Queen and Child Making Part 3

It's been a while.

Cute Demon Queen and Child Making Part 3

「Haa、Haaaa.....。Th、This cum contest is my lost」

Like a kitten being tired because of playing around too much, Mii lied horizontally next to the young man, resting her body that climaxed just now. However her break lasted merely minutes. Hot breaths spilling out from her lips as the girl quickly raised her body and said with an admired facial expression.

「The defeated must be obedient to the winner。By all means、please violate me to your heart's content」

Placing her fingers on her trembling thighs, the lovely girl who lost to the man opened her beautiful legs on her own.

At the depth of her opened M-shaped legs, a flirty and meaty entrance stretched open, waiting for the man. Her glittering jet black pubic hair put even more emphasis on its border, which is her lewd salmon-pink colored secret place. The love juice gathered at her flesh creases stickily spilled and scattered. It was as if the liquid licked her anus and the sheets, stickily and lewdly soaked them.

「Would you.....go inside me、to the deepest parts？」

Her fleshy lips drew an arc.

Captivated by that extremely sexy smile, he unintentionally gulped down his saliva.

Moving his limbs as if controlled by carnal lust, he covered the girl with his body, which is bigger in size. Before he even knows he already had his hands placed on her slender shoulders, and by doing that he finally noticed the warmth of her body.

「Really though、it's fine for me to take your virginity?」

「Yes」

As he looked down from above, their lines of sight met with one another. Her sparkling eyes were like that of a small animal wanting to be spoiled by its master.

With her bust and hips brimming with fleshiness, Mii's body possesses very inviting proportions, but upon looking at her like this, he has an impression that she's very fragile. With these hands, if he put his strength in them, it felt like she was going to break easily.

It was probably because of her wonderful white skin and her Japanese-like beautiful face.

「Now.....please violate me」

A whisper that seemed to tickled his eardrum. Hearing such an unrealistic word as 「Violate」, the sound of his string of reasons could be heard tearing off.

「Mii ! 」

「Kyaa」

Having her shoulders pushed down, the lovely Mii who let out a hot voice lied flat down on the bed. As her charming long hair spread out sexily, it was as if those superfine black threads are fore stringing the two people together. Dyed with a slight peach-color, her drooping breasts shook slightly like puddings. He's not concerned about this perfect girl whom he's going to do as he pleases. Because of the fact that up until now he has no experience in pushing a girl down that his chest throbbed, and his erection is also getting to point of painful.

「I'm putting it in。 Don't move」

Not waiting for her response, he teased her lewd white flesh with his full erect meat stick.

The moment the sensation of his glans touching her love juice, as if being swallowed, he filled himself into the girl.

「Kuu ! 」

Suddenly her flirty flesh glued to his glans, wriggling as if massaging it. Being attacked with a pleasure leagues different than masturbation, the paralyzing feeling spread from his uretha to his whole body.

(It's hot.....and slippery.....just the tip and I already want to cummm)

Clutching his butt in order to not ejaculating, he sank his swelling erection into the sea of flesh.

The shape of her ellipse virgin hole that never knew of a man was slowly spread by his glans that's pushing in. Burning this ferocious excitement from seeing that scene into his heart, Ren filled the muscles at his hips with full power.

Zuruuuu、Zubububuu !

「Aahhh ! B、Biig.....。 It's going、inside meee ! 」

With the pain like that of piercing a hole through the flesh of a soft woman's body, a moan of anguish leaked out from her white and slender throat.

However the trial for the virgin maiden starts here.

Digging the flesh road while advancing, his glans collided with something of faint resistance.

(So this is a hymen)

He made eye contact with the girl he's pushing down. Though her eyes are slightly teary, they're steady like that of a calm lake.

Those are eyes filled with solid determination.

「I'm going in」

He seized her slender waist, which is so slender it would make people worry if he clogged her internal organs, with both hands and plunged his meat spear inside with all his might.

*SFX goes here

A slight sense of popping something was sent to his glans. As the remaining membranes rubbed on her vaginal walls, the conqueror finally pierced through the narrow virgin cave.

「Hnnnnn ! 」

Mii covered the anguishedly warped shape of her lips with slender fingers. But it was impossible to conceal her shriek.

From where she was pierced by a burly penis, lukewarm fresh blood quickly poured out.

He carved the proof of his existence into this beauty called Mii. The actual feeling of taking her virginity rose up inside his body, to the point of trembling joy.

However the original sexual intercourse between a man and a woman still forces

the pain upon the woman.

「It hurts、right?。 You okay? 」

He asked the girl who had the corners of her eyes moistened, but she frantically shook her head.

「I'm not hurt at all..... ! Ren-sama please move、 haah、 as you like」

To her courage of going as far as lying just to offer her purity, the young man carved her affection into his heart.

「You don't have to force yourself。 It's fine to rest a bit until the pain is gone so...」

「But」

「Look、 let's hold hands ? I heard that doing this can ease the pain」

Soothing her, he held out both his hands.

In an instant, the anguish on Mii's expression got wiped away and vanished. In place of that, surprise filled her face, and as if white snow being shone upon by the Sun, her cheeks and nape flushed.

「.....you're so gentle」

Smiling broadly, the girl finally murmured so. Stretched out her white and smooth fingers, she entwined them with his like a spoiled child.

Holding both each other hands like that of lovers, he softly soaked into the high body temperature of hers.

「Ren-sama」

「Hn? 」

「Right now、 I'm so very happy」

Me too, said Ren from the bottom of his heart.

No need for violent movements, just being connected like this filled them with happy euphoria.

The dripping wet and hot to the point of burning vaginal cylinder gave his meat stick a filled-with-love embrace. It was as if his whole body was hugged tightly.

(Ecchi is、 no、 women are this kind of pleasurable creature huh)

He got befuddled and intoxicated for a while, but now is probably the time for giving each other a couple dozens of pulsation. Mii suddenly recalled something and said.

「Ano、Ren-sama。 I think I'm fine already」

「Really ? 」

「Yes ! Thank you very much。 You can rape me to your liking now」 (TN: I died at this line so my parallel self is going to TL the next ones)

This time she's not pretending to be tough. The penis that wanted to ejaculate more than anything throbbed in pain, its crave for ejaculation has reached critical point.

Holding each other hands as is, the young man gave into carnal lust and began to tick into the rhythm.

「Au、 aah、 aaahn」

It was a flirtatious voice as if drawn out from deep inside her vagina. Slamming his abdomen into her plump butt, panpan dry sounds resounded. As the lewd sounds of having sex sprang up like an instrumental duo, lust swelled up more and more inside him.

「Mii's pussy、 feels so good ! 」

「I、 I got into an ecchi mood too。 My pussy is spredi.....aaahh ! 」

The tip of his meat spear poked at something that felt kind of hard. Being bullied at the womb entrance, the girl bent her back like a grapevine. As her F-cup breasts spring up and down, sparkling beads of sweats scattered in the air. A remarkable high-pitched shriek surged up from within her curving throat. I reached the innermost depth of this beauty! or so the carnal lust roared up inside Ren's chest. As his heart beating fast, red hot blood was sent down to his whole body and his penis.

「Cummingg ! Mii ! I'm making you pregnant」

His manly instincts screamed.

「Pleashe cum ! Fill my womb with your baby.....っ ! Aaaaahhh」

Mixing tenderly with her womanly liquids, her flesh creases sucked on his cock

like countless tongues' licking while devoting to wringing his semen.

At the same time, Mii's eyebrows knitted painfully, her beautiful face melted to her first time being satisfied through copulating.

With her mouth shut closed, her stuffy breaths nearly drowned her tongue as it crawled out seeking help. The figure of a rare beauty turning into disorder is very lewd.

(It's like、there's an ecchi living creature down there)

With an agonized expression befitting that of a young maiden, the bewitching and shameful gap of her genital was made love to by the young man, even though he had that kind of hallucination.

When he pulled his cock out, her flirty meat entangled it while the vagina hole softened up.

And then when he aimed at her womb entrance and plunged back in in one gulp, the pressure of her vagina changed to an intense grasp, not letting him go as if wanting to be spoiled.

「Yaaaa ! Cum、I'm cummiiiiing ! A hot and huge wave、it's、no I can't endure it。I want it together with Ren-sama」

The maiden on the verge of an orgasm let out a sickly-sweet shriek, shaking his eardrum and demanding his ejaculation. Their hands that were holding each other like lovers became damply wet with sweat as the girl put in a good grip with the best of her strength.

Seems like both sides are already at their wit's end. As Ren recklessly swinging his hips, body fluids were scraped out from where the two are being connected. Sticky and watery sounds scattered.

「I'm、I'm ! Aaaaaaahhhhaaaaahhh ! 」

Springing up her body and her flesh fruits, the girl raised an orgasm scream from the depth of her throat as she was pushed to her climax.

The glittering tip of her black hair danced as her toes clutched tightly mid-air. Not reserving any of that fascinating body, Mii deeply expressed herself.

「Guuu」

The flesh hole shut tightly, confining the cock as if fighting against it.

The moment he pressed his ready to ejaculate glans against her meat sack, a

pleasure many times better than urinating sparked inside his brain.

「I'm comiiing、Mii ! 」

Byukuu ! Doburururu !

As if drawing up a pump, boiling hot semen was shot out with terrific vigor. The girl's inner-womb was dyed stickily white in a blink of an eye.

Doku, doku the pulsation never stopped, it was like his heart was down there.

Matching that, baby juice infinitely spilled out.

Blind with pleasures, the blood vessels in his brain seemed to burn.

「Haaa.....it's so hot.....this、I'm definitely getting pregnant with this~♡」

Gazing at her stomach that was filled with sperms, the girl soaked herself into the afterglow of climax.

Losing its strength at last, his meat stick was pulled out, cloudy liquid began to overflow from her. Her beautiful and well-organized flirty flesh creases are now left with fresh traces of being sexually disgraced.

「With this、I became Ren-sama's bride」

Befuddled with the pleasant tired feeling, Mii confirmed happily.

「A bride、huh。Kinda embarrassing」

At those words she became even more embarrassed. At the very least, he was able to connect with this shy girl in front of him, both body and soul.

「Ehehe。That's right。『Maou-sama』 please treat me well from now on ne~」
